

Bucket Game Scenarios

1. A girl drops her pencil down a storm drain grate. She really needs it! How do you get it for her?
2. Sticky polished his spectacles a little too hard and the lenses popped out! Is there anything in your bucket that might help?
3. A sealed envelope that contains important secret information is sitting on desk. Unfortunately, Martina Crow is also sitting at the desk, reading a book. How can you sneak the letter away from the table (and sneak it back) without Martina catching you?
4. You need to distract some guards. How do you do it?
5. You are locked in a room. The only window, which is a skylight, appears to be sealed shut with glue. How do you get out?
6. You've discovered important information about the Recruiters and need to send it secretly to Reynie. You're in a forest, at night, and Reynie is hiding in a treehouse. He doesn't see you yet AND there might be enemies hiding in the woods. What do you do?
7. Jackson and Jillson are chasing you! Is there anything in your bucket that will help?
8. Constance is grumbling that she's bored. Is there anything in your bucket that might entertain her?
